RE: Delaware Business License
RESIDENT CONTRACTOR
Notice Number: 10007318941

Dear Sir or Madam,

The enclosed State of Delaware business license must be posted in a public area at the location address listed on your license. Please be advised that license fees are not refundable should you decide to close your business prior to the license expiration date.

If you need a replacement for a lost, stolen, or destroyed license you may log in to our taxpayer portal at <https://tax.delaware.gov> where you can print a copy at no charge. However, a \$15 fee will be charged if you request an official copy of your business license through the mail or in one of our public service offices. You will find the license reprint form at www.revenue.delaware.gov. Please complete the form and return to the address listed on the form with the required \$15 fee. You will receive your replacement license within four weeks.

Please note that most licensees are required to pay either gross receipts or excise taxes in addition to the license fee. You must file your taxes online by using our taxpayer portal, at <https://tax.delaware.gov>. You must submit all business tax returns with the Division of Revenue under the same identification number. If you are a sole proprietor and have a Federal Employer Identification Number (FEIN), please use this number and not your Social Security Number. However, sole proprietors with no employees are allowed to file using their Social Security Number.

To aid you in complying with the Delaware tax laws, sole proprietors, partnerships, or corporations having any income derived from sources in the state must report such income or loss by filing personal, partnership, or corporate income tax forms.

Please visit www.revenue.delaware.gov for helpful information such as tax tips, contact information, the Delaware Guide to Small Business, links to other State agencies, and access to the taxpayer portal.

If you need assistance, contact the Division of Revenue at (302) 577-8200, or visit our website: www.revenue.delaware.gov.

Respectfully,

Delaware Division of Revenue
